

REIKI I TRAINING WORKSHOP

AN ANCIENT TIBETAN SYSTEM OF NATURAL HEALING

WITH CHINA SKY, REIKI MASTER

WHAT WILL YOU LEARN?

FIRST DEGREE REIKI – (REIKI I)

This initial training is designed to “fine tune” energy in the **PHYSICAL & ETHERIC BODIES** and is intended to be a **GIFT** for self-development & growth. It is the process of empowerment. During this comprehensive hands-on workshop, each participant will receive a series of “**ATTUNEMENTS**” based on a very ancient natural healing “**TIBETAN technology**”. Powerful “**CHI**” energy is then transmitted to the student in an “**AMPLIFIED**” state. After being “**ATTUNED**” most massage practioners, therapists, and individuals trained in skilled or “**structured touch**” immediately notice an increase in the amount of energy and the feeling of soothing heat radiating to channel **REIKI** energy.
