We are gathering under the Full Moon to celebrate new beginnings!

As the New Year came in, you may have spent time reflecting on where you are in your life. What did you uncover? Didn't like the way 2008 went down? Have you missed the mark again? Have you gotten involved with someone else's project(s) and/or life and negated your own? Is your creativity stuck like the economy?

Powerlines has designed an invigorating retreat to jump start your engine and get you going again. Experiencing winter blues? Come to Jamaica where there are 'No Worries! No Problem!' There we will invoke the Spirit of the Eagle to empower us and lead us to higher things. After all, we are women with wings!

What is your vision? Obama says "YES WE CAN!" Call early for reservations (305) 766-4922

### About Good Hope Artists Retreat

*Good Hope Artists Retreat is known as a "spiritual retreat" with "no pretenses or dogma." The theory being: to create a beautiful, peaceful environment in which one could relax and calm their mind so their inner guru or higher self could be heard.*

*The teacher guru here at Good Hope Retreat is the unsurpassed natural beauty and ambiance of the place. Even the locals say there is something special about the Good Hope area of Kentucky, Jamaica. It's where the sea breeze meets the mountain air at 2000 ft. altitude giving you cool nights and mornings perfect for meditation and walks.*

Would you like to visit Y/S falls? Good Hope Retreat will take us there for the day. What a treat for total renewal and total relaxation!

Pick up/drop off from Montego Bay airport can be arranged with Good Hope Retreat also. (Right now flights are really cheap to Jamaica)

Don't want to go with a group? No problem! Just call Good Hope Retreat and say China sent you.

Are you a man and you want to come or are you a woman and you want to bring your man? No problem. We can plan a mixed retreat.
